

Aluminium profiles

Glass opening systems for counters and display cabinets

• System 080

1. Lift-up system suitable for tempered linear glass, glass thickness 6mm
2. Rear or front uprights available
3. The display shows a minimalist look thanks to the small hinges positioned on the side of the front glass
4. The wide range of accessories allows the installation of open, close, spherical and sector corners. All kind of corners are openable
5. Intermediate shelves available
6. NEM 080 system is fitted with high temperatures tested gas-rams that makes it particularly suitable for cafeteria, bakery shops, butcher's shop, seafood and deli
